

Dear Parents,

Woodcraft Rangers will be accepting afterschool enrollment applications for the coming school year (2009-2010) on August 24. The Nvision program is free of charge, and will meet every day after school from the dismissal bell until 6 pm.

Among the many exciting activities students may choose from are dance, sports, photography, cooking, painting & drawing, recreation, computers, science & math, and more. In addition to these wonderful enrichment clubs, your child will take part in a daily homework assistance period, led by the afterschool staff. This program is open to all of the students at East Whittier, but please don't delay to enroll your child (or children!) because space is limited and we expect enrollment to fill very quickly.

PRE-REGISTRATION WILL BE HELD

When: August 27, 2009

Where: East Whittier Middle School/Oak Tree area

Time: 8:00am and 5:30pm

If you have any questions, please call Cesar Zaragoza at 213-249-9293, extension 270. We look forward to seeing you!
