WHAT ARE THE BENEFITS OF USING mySchoolBucks.com?

Safety – Virtually eliminates worries about your child carrying money to school.

Convenience – Make payments when it's convenient for you, from the comfort of your own home, 24 hours a day and 7 days a week.

Control – If you are using mySchoolBucks to pay for your child's meals, you can view the history of your child's meal purchases. Also, you can set up an automatic email reminder to alert you when a payment is needed for your child's account. The money automatically deposits into the child's meal account at school within one to two business days.

Efficiency – Make payments for all your children in one step, even though they many attend different schools in our district.

HOW DOES THIS SERVICE WORK? All you need is a computer, internet access and an email account

There is a small fee to set up the account. Just select the payment option which works best for you. You may choose to pay either a Fixed fee of \$1.35 for each transaction or pay a one-time membership fee. **For example, if you select the Fixed fee and put \$20 into your child's (or several children's) meal account, your credit card is charged \$21.35.** Of, if you put \$50 into your child's meal account, your credit card is charged \$51.35.

If you choose the one-time membership fee, the fee varies according to the length of time you choose to use the service: 12 months - \$14.80 9 months - \$12.90 6 months - \$9.90 3 months - \$4.95

The fee you pay does not go to the school district. All fees go directly to mySchoolBucks.com to cover the company's costs of operating the online service. Refunds for students who enroll in a new School District will be handled through the Nutrition Services office using usual procedures. **Any credit card "charge back" fees imposed by the bank will not be paid by Nutrition Services, and you will be billed for all fines by the school district.**

DON'T FORGET...this service is VOLUNTARY and you can always pay for meals at school instead.

HOW DO I REGISTER?

Visit the website at www.mySchoolBucks.com. Follow the instructions on the screen and provide the required information to register. You can register each child using their date of birth and their cafeteria "PIN" number. Be sure to enter your child's name exactly as you did when you registered them at school. You will receive notification by email of successful registration. For this reason, a valid email address is required when you sign up for the service. We are excited to be able to offer this service to our families in the East Whittier City School District. We hope you will find it to be both convenient and a great timesaver!
