

Mission Statement

At La Colima School we believe. . .

- That education is a partnership between the school and the family
- That a quality education program must be accessible to all children
- That all children can make progress toward meeting the District and State standards
- That learning best takes place in an atmosphere of mutual respect and safety
- That children must be instilled with a love of learning in order to gain a true sense of self-worth and develop into caring and productive adults

The mission of La Colima School is to work in partnership with parents and the community to create a child-centered learning environment in which children:

- grow academically
- develop **an effective work ethic**
- build self-esteem
- develop self-discipline
- become citizens of strong character
- work cooperatively with each other
- learn environmental responsibility

enabling them to become productive, responsible, contributing members of society.
