March 23, 2010

SPEECH AND LANGUAGE PATHOLOGIST
Full-time or part-time

Deadline to Apply Until filled

Effective Date September 1, 2010

Salary Range \$45,278 - \$91,498 plus \$1,500 signing bonus for 5 yrs
(09-10 Salary schedule)

General Functions The speech and language pathologist acts under the immediate direction of the Director of Special Education and in cooperation with the site administrator. The specialist will arrange for the implementation of the speech and language program within the total educational setting by providing diagnostic, remedial and consultative services for children with communication disorders, and by conveying pertinent information to staff and parents.

Specific Functions Identification and assessment of pupils with disorders of language, speech or hearing, which may include serving as a member of the IEP Team.

Providing specialized instruction for pupils with disorders or deviations of language, speech or hearing.

Directing rehabilitative-therapeutic educational management for pupils with disorders of language, speech or hearing.

Counseling parents, teachers or other school personnel in management of a pupil's language, speech or hearing disorder, deviation or development.

Required or the Qualifications Possession of a valid California speech and hearing credential necessary qualifications to obtain an emergency speech and hearing credential.

Ability to operate on an itinerant or single site basis.

Experience with and competence in all types of language, speech and hearing disorders of children in regular and special educational programs.

Ability to demonstrate current knowledge of the field.
Ability to work effectively with co-professionals and parents.

Desirable Qualifications Proficiency in the Spanish language.
Masters degree or intent to obtain one.
Experience with physically handicapped students.

Application If you are interested in applying for this position, please notify the Credential Technician,
Personnel Office, 562-907-5905 as soon as possible.
