The following question was received requesting the consideration of a different type of roof system instead of the one specified in the bid.

The request is stated with District's response below:

Request:

Please consider including our proven roofing system as an acceptable substitute.

Response:

The District has established Siplast Roofing System as its standard and proven system for the District. It is in the District's best interest to continue with same product that is used throughout the District, therefore the District will not consider a substitution for the roofing system specified in the bid.

All other terms and conditions of the bid remain the same.

Please sign and return this addendum with your bid document IF you are submitting a bid.
